

Meet the royals

Zvlášť známe je Victorian age, teda obdobie, ktoré pokrýva (až dodnes!) najdlhšie obdobie vlády jedného britského monarchu. Táto epocha bola ovplyvnená skvelými inováciami a pokrokom v technike, priemysle a v spoločnosti, aj keď vtedajšia morálka sa zdá z dnešného pohľadu strnulá a naškrobená.

Historical periods

Niektoré dôležité epochy anglických dejín sú spojené s vládnutím jedného alebo viacerých monarchov. K jednotlivým označeniam priradte správne časové obdobie.

1. 1485-1603
2. 1603-1714
3. 1811-1820
4. 1837-1901
5. 1901-1910

___ A Tudor ___ B Regency ___ C Edwardian

___ D Stuart ___ E Victorian

Politics and the monarchy

Ku každej vyššie menovanej epoche teraz uvedieme dôležitú politickú udalosť. Zapište príslušnú epochu, v ktorej sa uvedená udalosť odohrala.

1. England became a republic for a short time, under Oliver Cromwell (1599-1658).

2. Henry VIII became the head of the Church of England after it separated from the Roman Catholic Church. _____
3. Emmeline Pankhurst started a radical women's rights movement in the post-Victorian age.

4. This period began when the Prince of Wales, Georg Augustus Frederick of Hanover (1762-1830), took control of governing the country. _____
5. During this period the Queen became the Empress of India and Britain was the most powerful country in the world. _____

Windsor Castle

Balmoral Castle

Buckingham Palace
